

Wrenwood Newsletter

Newsletter Editor: Susan Anderson-Perry Email Address: sperry1060@hotmail.com

Welcome To Wrenwood

Is there anyone out there that would like to design a web page for the neighborhood newsletter? We are trying to phase out the paper newsletter. Until the web page is created, the paper newsletter will only be published every quarter.

Birdhouses on Wrens Nest:

No, the top of the birdhouses are not copper! The birdhouse roof tops are tin that was painted light green to resemble a copper finish. They are now beginning to rust. That lovely shade of yellow on one of the roof tops is just a "primer" coating. The birdhouses will eventually be repainted white with black roof tops. The gazebo will also be repainted. Hopefully this will stop the anonymous letters from being sent to the McGee's.

Landscaping Stone:

The weed barrier and stone have now been installed for all the cul-de-sacs and Wrens Nest Blvd. It looks very nice, and will reduce costs in the long run for weeding and mulching.

Helpers For Hire:

Elizabeth Bolduc	865-5987		
Kendall Krieg	865-6160		
Brian Kowalski	866-4847	(lawn care & snow removal only!)	
Abby Le Fevre	868-4804		
Michelle Perry	866-0101	Taylor Stieb	868-3900
Austin & Katy Pounds	861-7710	Kirsten Tanner	866-3050
Ryan Roeber	868-8444	Audrey Tucholski	866-0272

Entranceway:

Yes, the trees in the entrance are being trimmed because there are many dead limbs on them. For the safety of the neighborhood its better to remove the dead branches rather than have them strewn all over the roadway after every storm.

New Officers:

There will be two vacant positions that need to be filled for next year. If you would like to see changes in the neighborhood this is an opportunity as an officer to initiate those changes. Some ideas that the current officers have discussed are: new entrance sign at the beginning of the subdivision; **stricter** enforcement of code regulations regarding boats, trailers, jetskis, and snowmobiles parked in driveways; and **stricter** enforcement for homeowners that are not in compliance with landscaping requirements.

Wrenwood Playgroup:

When: Every Monday, 1-2:30PM. Its casual, just jump in when you can join us.

Where: We rotate locations amongst the participants.

Who: Infants and preschoolers are allowed to bring their mom/dad/caregiver.
